Greetings from the Yavapai County Education Service Agency!

To keep you fully informed about school district elections, we have listed the following information for your use:

- 1) Districts that will have uncontested elections and only the requisite number of qualified candidates. As a result, the Yavapai County School Superintendent recommended that the Board of Supervisors cancel the elections and appoint the qualified candidates for the full term they were seeking. Today, September 7, 2016, the Yavapai County Board of Supervisors voted unanimously to "cancel the elections and make the appointments", in compliance with A.R.S. § 15-424.D. Terms begin January 1, 2017.
- 2) Districts that will have contested elections in the General Election on November 8, 2016 and the qualified candidates for each office.
- 3) Those districts which will hold special elections.
