Press Release

Yavapai County School Superintendent and BMO Harris Bank

Announce the Holiday Card Winners!

Sending cards is a wonderful tradition during the Holiday Season and we are pleased to be able to highlight and honor our student artwork. Instead of purchasing cards, we use our winning student designs.

Each year we send out a call throughout Yavapai County for voluntary student submissions, and three designs were chosen from high school, middle school and elementary school categories. With a generous donation from BMO Harris Bank, each student's class has won a cash prize of \$125 to use for classroom supplies. Individual finalists received a Certificate of Achievement; and the Yavapai County Education Service Agency now has charming cards to send.

Congratulations to the following students who sent in the award-winning designs: Tayah Hoke from Mountain View Preparatory School - elementary category winner, Hope Neshem from Hillside Elementary School- middle school category winner and Lucas Carpenter from Prescott High School - high school category winner.

The YCESA is proud of the work of our students and we are pleased to share their unique art work throughout Yavapai County and Arizona.
