### **News Release ---- for Immediate Release**

Yavapai County School Superintendent Tim Carter is pleased to announce the appointment of **Lani Beyle, to the Yarnell Elementary School District Governing Board.** The appointment will be effective August 23, 2016 and will expire on December 31, 2016. This seat was vacant due to the resignation of Jolene Miller, due to health reasons. We sincerely appreciate the valuable service provided by Mrs. Miller to the School District and wish her well.

This seat was held vacant due to the fact that we were already in an "election cycle". It was previously announced that the non-incumbent who received the most votes in the 2016 election would be appointed. Lani was selected since she was the sole non-incumbent to become one of the qualified candidates in the upcoming Yarnell School District Governing Board election.

Mr. Carter plans to ask the Board of Supervisors to cancel the election and appoint the three qualified candidates (Richard Goldman, Penelope Thal and Lani Beyle) to the three available seats for a full term commencing on January 1, 2017 and ending on December 31, 2020, thus saving taxpayers of the school district the cost of the election.

Superintendent Carter is thankful that the election process determined the appointment to the Governing Board.

Mr. Carter may be reached at 928-925-6560 (cell).
