### **The Northern Arizona Teacher Job Fair**

Yavapai County school districts are convening to promote their districts and schools to potential teachers around the nation. **The Northern Arizona Teacher Job Fair** will be held on March 24-25, 2017, at the Yavapai College main campus located at 1100 E. Sheldon St. in Prescott, with a focus on attracting needed education professionals to our schools. This free event will kick-off with a reception for both the districts and attendees on Friday, March 24, 4 pm-6 pm in the Yavapai College Community Room (Library). Light refreshments will be served. The Job Fair will then take place on Saturday, March 25, 9 am-3 pm in the Yavapai College Gym.

The main purpose of this event is to bring the county school districts together with individuals who may be interested in relocating, changing professions, or starting a new education career. Attendees will get to visit Yavapai County and see its rich Western history and vast array of outdoor activities provided by the mild climate, rivers, and mountainous terrain. This job fair will also offer information booths from in-state college and universities, as well as state-recognized teacher intern programs and resources for substitute teachers.

**Registration is required for both districts and attendees.** To attend, please register no later than **March 16, 2017**, at <https://form.jotform.com/70024569777970>.
