

Food Service Manager

Food Service Manager needed for the 2017-2018 school year. Skull Valley ESD #15 is seeking a qualified food service manager to cook and manage the lunch program for our tiny school. This person will be responsible for planning and preparing meals within state and federal guidelines. Lunches are served to approximately 20-30 K-8 students each day. Ability to work well with others is essential. Position includes district paid health insurance, dental and vision benefits, Arizona State Retirement, a four day school week, very small student number, pleasant family atmosphere, and awesome co-workers. Wage range will be \$11.77-\$15.14 per hour based on training and experience. Skull Valley ESD is an equal opportunity employer. Call 928-442-3322 for an application.
