## OUR COUNTY NEEDS TEACHERS

“Some of Cottonwood–Oak Creek School District’s **strongest teachers** are those who were school volunteers or aides that **fell in love with teaching** and went back to school to earn their teaching degree.”

– **Barbara U'Ren**  
Superintendent,  
Cottonwood–Oak Creek School District

“Yavapai County schools... **have not been able to fill 38 teaching positions** that have been posted since the summer of 2014. **The need for highly qualified and effective teachers in rural Arizona is immediate and real...** and becoming more problematic all the time.”
