

Mingus Union High School District Cottonwood, Arizona is seeking to hire a science teacher for the 2016-2017 school year.

The successful candidate must hold certification to teach science at the secondary level. An advanced degree is preferable and multiple areas of certification will be advantageous to our staffing needs for the upcoming school year. Primary consideration will be given to science applicants with additional certifications.

Starting date – August 2016

Salary Range – Dependent upon years of service and education.

301 Performance Based Pay is not included in the base salary.

Application Deadline: May 30, 2016 or until filled

Applications are to be submitted through the District's web site [www.mingusunion.com](http://www.mingusunion.com). Only complete application packages will be considered.

Cottonwood is located 90 miles north of Phoenix in the Verde Valley and 17 miles west of Sedona. Population is 14,000 with 1,250 students 9-12. Mingus Union School District is an Equal Opportunity Employer. Our school year is from early August to late May, with a one week fall break, two week semester break and a one week break in the spring.
