Employment: Special Education Teaching Position for 2017 – 2018

Full time Special Education Teaching Position in a small rural school district with multi-grade students.

This is a small town school with great students, a supportive community, a supportive school board and an administration that believes children/students' needs come first. We offer a team driven educational system that focuses on high academic expectations, teacher empowerment, and school safety by fostering and developing student relationships.

Requirements:

Highly Qualified Teacher with a Special Education Certification

Dual certification in other areas is a plus, but not required

Federally approved Fingerprint Card

CPR/First Aid Certified (within the first two months of school)

Completed Yarnell E.S.D. Teacher Application

A great attitude and educational competence are the keys to successful employment at Model Creek School. Flexibility, patience and being comfortable with students are essential. You must be able to work as a team member and be ready for changes in the school schedule as they occur.

The school has a culture of supporting each other and every team member is ready and willing to provide help to any staff member.

The 2017-2018 calendar will be a four-day academic week (7:00 – 4:00 Tuesday through Friday).

The position is opened until filled. Applications may be obtained online at modelcreekschool.org or from Linda Fausey by calling 928-427-3347 for additional information.

The American with Disabilities Act Of 1990 (ADA) makes it unlawful to discriminate in employment against individuals with disabilities in the state and local government services, public accommodations, transportation, and telecommunications.

Title VII of the Civil Rights Act of 1964 offered the promise of equal employment opportunity by prohibiting job discrimination on the basis of race, color, religion, sex and national origin. No longer can employees discriminate in hiring, firing, promotions, pay and other employment decisions.
