While many of the EDGAR/2 CFR 200 certifications (e.g., Davis-Bacon, EO, Contract Work Hours & Safety Act, Debarment & Suspension, Byrd Anti-Lobbying, Clean Air Act) are specified in the RFP, will Yavapai County provide a form that lists and allows for companies to certify to all of the varied EDGAR/2 CFR 200 certifications? “No. However, a vendor could sign one or more certificates that include more than one certification requirement as long as it meets the standards of ARPA, the Final Rule, SLFRF and other Treasury Supplements, and the County RFP requirements.”
