

Be Awesome with Us and Change Students Lives

Join us and become our STEM/Science Instructor!

Do you want to be a part of a progressive, dynamic team that supports you in your professional goals? Do you want to make a difference in students' lives by making genuine connections? Then PACE Academy High School needs you. PACE is seeking a highly qualified secondary teacher in STEM/Science for the second semester of the 2023-24 school year, starting at the beginning of January 2024.

#### DUTIES AND RESPONSIBILITIES:

1. Organize class time to provide a balanced program of instruction, demonstration, and practice time.
2. Provides individual and small group instruction to adapt curriculum to the needs of the students with varying intellectual abilities and to accommodate a variety of instructional activities.
3. Establish and maintain good communication with parents; inform parents of student progress and school activities.
4. Evaluate each student's performance and growth in knowledge and understanding.
5. Maintains professional competence through in-service education activities and professional growth activities.
6. Must be able to work cooperatively with all members of the staff and communicate effectively with parents and students.
7. Integrate the use of technologies and research-based "Best Practices" to maximize student engagement and learning.
8. Cooperates in school-wide supervision of students during out-of-classroom activities.
9. Participates in faculty and campus committees and student activities.
10. Use and implement effective classroom management techniques to maintain organization, orderliness, student safety, and a productive learning environment.
11. Have the flexibility of working at a small school and taking on different responsibilities.
